

# Never Start

Middle Kids

All of this time  
There's been no change  
'Cause you've got no heart  
And I've got no brain  
But I know, I know, I know  
You like to learn the hard way

You can be the self-appointed  
Sitting in your chair  
And I'll be your tornado baby  
Twisting in the air  
But I don't know how long I'll be here

And I'm not trying to start a fight here  
But it's building up inside, yeah  
And you don't even know  
I'm not saying pick a side  
I'm just trying to do it right  
Even though I know  
I know I won't

I've got no space  
And you've got no time  
If we jump up and down together  
Maybe we'll be fine  
But I know, I know, I know it aches  
I know, I know, I know it aches  
And I know, I know, I know it aches  
And I know, I know you can't explain it

And I'm not trying to start a fight here  
But it's building up inside, yeah  
And you don't even know  
I'm not saying pick a side  
I'm just trying to do it right  
Even though I know  
I know I won't

I'm not trying to start a fight here  
But it's building up inside, yeah  
And you don't even know  
(Now, no you don't know)  
I'm not saying pick a side  
I'm just trying to do it right  
Even though I know  
I know I won't

And I'm not trying to start a fight here  
But it's building up inside, yeah  
And you don't even know  
I'm not saying pick a side  
I'm just trying to do it right  
And even though I know  
I know I won't  
No, I know I won't  
No, I know I won't  
No, I know I won't
