

## Louise (My Little Ship)

Middle Of The Road

I would like to be  
On the Baltic Sea  
With my little ship, Louise

Though there's nothing there  
There's nothin' like wanderin' without a care  
There's only the wind and the water, the smell of the ocean air  
Keeps me there

I'd be ocean bound  
Where only the seagulls follow me around  
I'd never be able to get into trouble unless I'm found  
Ship aground

When I go to sea  
I dreamin' that my imagination free  
And fly away into the sky  
And a ceiling of happiness, happiness

And I'm sure to be  
On the Baltic Sea  
With my little ship, Louise

I'd be ocean bound  
Where only the seagulls follow me around  
I'd never be able to get into trouble unless I'm found  
Ship aground

When I go to sea  
I dreamin' that my imagination free  
And fly away into the sky  
And a ceiling of happiness, happiness

We'd be here to dream  
I'm goin' out slowly on a moonlight beam  
And people that taking good care of me, helping me on my way  
Let me stay

And I'm sure to be  
On the Baltic Sea  
With my little ship, Louise
