

# Samson And Delilah

## Middle Of The Road

Samson and Delilah lived a long long time ago.  
She was undecided but man that hair just had to go.

Na na na na na...

On the Friday evening things were going mighty fine  
then he started sleeping 'cos she slipped something in the wine  
.

Na na na na na...

Ain't no glory in this fable like the story Cane and Abel  
Samson's gonna turn the tables.

Samson had a feeling that God would guide his feeble hand.  
Man you should 've seen him pushin' pillars from the stand.

Ain't no glory in this fable like the story Cane and Abel  
Samson neatly turned the tables.
