

No Regrets

Midge Ure

I know you are leaving, but it's too long overdue
For far too long I've had nothin' new to show to you
Goodbye dry eyes, I watched your plane fade off west of the moon
And it felt so strange to walk away alone

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again

The hours that were yours echo like empty rooms
The thoughts we used to share I now keep alone
I woke last night and spoke to you not thinking you were gone
And it felt so strange to lie awake alone

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again
