More Than a Fever

Midland

The sweat is dancing on your skin
And I can't help this devil's grin
Temperature's rising in your eyes and
The way you're looking girl you know you got me
Wrapped around your finger and your body
More than just a passin' fascination, set me blazin'
When I felt it
Your hands all over me like they were velvet
There's no way to temper this desire I'm on fire tonight
More than a fever
Girl you've got the red line on the rise
More than a fever
And I don't wanna break it tonight
Nothing's gonna cool me down
Swimming in the sheets let's drown
Baby pull me under there's no wonder
The way you're looking girl you know you got me
Wrapped around your finger and your body
More than just a passin' fascination, set me blazin'
When I felt it
Your hands all over me like they were velvet
There's no way to temper this desire I'm on fire tonight
More than a fever
Girl you've got the red line on the rise
More than a fever
I don't wanna break it tonight
Break it tonight
When I felt it
Your hands all over me like they were velvet
There's no way to temper this desire I'm on fire tonight
More than a fever
Girl you've got the red line on the rise
More than a fever
I don't wanna break it tonight
Break it tonight
