

Wicked Game

Midland

The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I'd never dreamed that I'd meet somebody like you
And I'd never dreamed that I'd lose somebody like you

And I don't want to fall in love
(This girl is only gonna break your heart)
And I don't want to fall in love
(This girl is only gonna break your heart)
With you
With you

What a wicked game to play to make me feel this way
What a wicked thing to do, to let me dream of you
What a wicked thing to say, you never felt this way
What a wicked thing to do, to make me dream of you

And I don't want to fall in love
(This girl is only gonna break your heart)
No, I don't want to fall in love
(This girl is only gonna break your heart)
With you
With you

The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I'd never dreamed that I'd love somebody like you
And I'd never dreamed that I'd lose somebody like you

And I don't want to fall in love
(This girl is only gonna break your heart)
And I don't want to fall in love
(This girl is only gonna break your heart)

And I don't want to fall in
(This girl is only gonna break your heart)

And I...

With you...

With you...

And I...

Nobody loves no one
