

# Masquerade

MIDNATT

So go on and leave me  
'Cause I don't think I need ya (Mm-mm)  
Everything's an illusion  
Won't look back and I mean it (Mm-mm)

Yeah, we can keep up the role play  
I don't care what the rules say  
Making up things that push me away  
Yeah, fire burned up and twisted  
Love that never existed  
I don't got any reason to stay

Masquerade  
Danger in what we're doin'  
It's all over and done  
I don't know who we're foolin'  
So turn around and hate me  
I'm bending till I'm breaking  
I love it love it love it too much  
Masquerade  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
Masquerade  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
Please look at me and tell me  
Just tell me you don't want me  
I love it love it love it too much  
Masquerade

The pain, the hurt, the scars  
The fear, the tears we hide  
Your love is in my veins  
Lost in this toxic maze  
I'll drink your love poison

I'ma give you a warning  
Don't come any closer (Mm-mm)  
We're doin' a bad thing  
We're gonna hurt till it's over (Mm-mm)

Yeah, pushing all of the limits  
Crave you like it's forbidden  
Touching you feels like playing with flames  
Yeah, pushing all of the limits  
Go against what's permitted  
Touching you feels like playing with flames

Masquerade  
Danger in what we're doin'  
It's all over and done  
I don't know who we're foolin'  
So turn around and hate me  
I'm bending till I'm breaking  
I love it love it love it too much  
Masquerade  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
Masquerade  
(Oh, oh, oh, oh, oh, oh, oh, oh)

Please look at me and tell me  
Just tell me you don't want me  
I love it love it love it too much  
Masquerade  
(Oh, oh, oh, oh, oh, oh, oh, oh)  
Masquerade  
(Oh, oh, oh, oh, oh, oh, oh, oh)

When there's nothing to begin with  
You'll never find the ending  
I love it love it love it too much
