## **Unpayable Silence**

Midnattsol

A rare silence you can't pay The wishes, they are safe In my box of treasure But you smelled my life! The warmth is sparkling inside The luckiest miserable eyes I've seen They shine through mountains so high

I weep, I fall! 'Cause I have seen the light One blink and I'm done Those caresses with your eyes

Your eyes

My rose is blooming and sending her scent To you my wanting one My restless aura is touching you From a hundred miles away A silence you can't pay

No religion can describe No feelings meant to hide Surroundings raised by whispering fields Over broken skills Enchantment's lurking over the hills The power of bonds will succeed
