

My Masquerade

Midnight Choir

I'm sorry for causing you this pain
Hey baby, won't you let me explain
It's not a case of right or wrong
I can't sleep until the dawn
I'm sorry for being this way
Hey baby, what more can I say
I'll be fine when the night is gone
I can't sleep until the dawn

I'm sorry, this may sound strange
But I just can't change

I'll see the light, it won't be long
I can't sleep until the dawn
Joins my masquerade
Joins my masquerade
Until the dawn rains on my brain
Come and enjoy my masquerade
Masquerade
