If you go out as far as you can  
You will find the desert man  
Family bound and ancient  
Born of the earth the dust his blanket

Tell you the story of the bird in the sky  
Laid some eggs for as many stars to fly  
It's light years from Westfield camping on the track  
Moving along in the great outback

You're going to see him  
You're going to see him  
Moving along in the great outback

Wati paluru, Wati putitja

Wati paluru, Wati putitja

Winking, spitting and sparkling lights  
Cars are screaming at traffic lights  
Sirens sound at suburban dawn  
I can see a gnome on your front lawn

You're going to see him  
You're going to see him  
Moving along in the great outback
