

90 Days (Same as Cash)

Midnight Star

They say that finance and romance go hand in hand
But if you're always keeping your mind on the money then you really don't understand

Ninety days same as cash
Or you can take your love back

I've worked so hard to have the hot new things that I enjoy
And never wanna raise I got to make the cash to have the pass
All I really need is a strong man with a long credit line
That will guarantee if I'm not satisfied I can set him free

So give me ninety days, same as cash
Or you can take your love back
Ninety days, same as cash
Or you can take your love back
H-h-hit it!

The cost of love is high and nobody wants to pay the price
When you tell me what I can do for you and I give for me
I deserve a man who sees more than just those dollar signs
I will guarantee if I'm not satisfied I can set you free

So give me ninety days, same as cash
Or you can take your love back
Ninety days, same as cash
Or you can take your love back

Finance and romance go hand in hand
But if you're always keeping your mind on the money then you really don't understand
I need a lover, I need a man
Who can always give me good love when I'm needing it
Give me ninety days

Ninety days, same as cash (Shut up!)
Or you can take your love back (Come on!)
Ninety days, same as cash
Or you can take your love back

Ninety, ninety, ninety, ninety
Ninety, ninety, ninety, n-n-inety days!
It seems like alone I have to take out our loan
And find a real good man who'll make me scream and moan
In the middle of the day or the passion of the night
I need a good man who can do it right
I'll give you one chance to see what you can do
But before you start here's what you gotta do
Drop it to the floor let me see what I can find
Then before you make a move I gotta check your credit line
Cash it in, put it in my hand
I wanna run it through before we start to dance
Cash it in, put it in my hand
I wanna run it through before we start to dance
H-h-hit it!

I like a man with a high interest rate

A high interest rate
Lets me know if you're interested
A high interest rate
Lets me know that you care
No strings attached
It's just like that
Ninety days, same as cash
Or you can take your love back

Finance and romance go hand in hand
But if you're always keeping your mind on the money then you really don't understand
I need a lover, I need a man
Who can always give me good love when I'm needing it
Give me ninety days

Ninety days, same as cash (Shut up!)
Or you can take your love back (I need ninety days)
Ninety days, same as cash
Or you can take your love back (I need ninety days)
