

# Feels so Good

Midnight Star

(Oh, oh)  
Hoo... ooh... (Oh, oh)  
(Oh, oh)  
Hoo... ooh... (Oh, oh)

When I get this feelin'  
And I wanna have a little bit of fun  
I try some party pleasures  
So glad I met you, now I ain't' gotta run

It's just you and me, love  
We stay together through the break of day  
Kissin' and caressin' (Kissin' and caressin' me)  
Heated passion, love is on the way

Well, let me hear you say, oh (Oh)  
Baby, say, oh (Oh)  
Let me hear you say, oh (Oh)  
Tell me, sugar, it feels so good (Feels so good)

Well, let me hear you say, oh (Oh)  
Baby, say, oh (Oh)  
Let me hear you say, oh (Oh)  
Tell me, honey, it feels so good (Feels so good)

Burning with fever all over me  
Touched by your spirit of lovin'  
Serve me with sweet sexuality  
Honey, don't cool me down cause it feels so good to me, oh

Just fill me up  
Squeeze me, tease me, kiss my breath away  
Sweet sensation found us (Sweet sensation's callin' me)  
When love calls on our bodies, we answer and obey

Let me hear you say, oh (Oh)  
Let me hear you say, oh (Oh)  
Baby, say, oh (Oh)  
Tell me, sugar, it feels so good (Feels so good)

Well, let me hear you say, oh (Oh)
