He's just a Casanova messing with your mind  
Girl, you deserve better  
If he really cared he wouldn't tell you lie

I don't need to put him down but, girl, he treats you like a fool  
You need a real good lover  
And baby, I'm the man for you  
I know how to treat a lady  
You can always count me  
I can give you everything you need

Baby, can I love you up  
Tonight  
I could make it feel just right  
Tonight
