

Move Me

Midnight Star

I like the way you move me
And groove me
Baby, you know
Just how to please a man
I like the way you feel me
And thrill me
Baby, you know
Just how to please a man

In love with you I am
You got me flowing on the clock
I never had
A feeling like this before no
Gonna do the best I can
To make sure your love of me is forever
I really wanna be your man
You want me to let you know
Just how I feel about you, baby
Gonna try to make you understand
That I

I like the way you move me
And groove me
Baby, you know
Just how to please a man
I like the way you feel me
And thrill me
Baby, you know
Just how to please a man

Sometimes baby when I'm all broked down inside
You know how to treat me
When something is wrong, baby
It won't be so long with you
I'm right back again

Sometimes when I'm all by myself I call out your name
Feeling I could have you always
But it's alright simply because

I like the way you move me
And groove me
Baby, you know
Just how to please a man
I like the way you feel me
And thrill me
Baby, you know
Just how to please a man

So hard to find someone like you
So hard to find someone like you
So hard to find someone like you
So hard to find someone like you

I like the way you move
Love the way you groove me, oh yeah
I like the way you move the way you groove me

E-e-e-everything that you do
I just like the way you make love to me, baby
The way you feel me
I can't hold so much love inside
Do it, baby
Do it
Do it, baby
