

# Planetary Invasion

## Midnight Star

Everytime I see you out you're going down  
Like to see your body moving 'round and 'round  
You take control of me baby you knock me to my knees don't hold me do  
wn  
I got to spread the news that we took over this town

Planetary invasion  
We're gonna rock the world (gon' rock it baby)  
Planetary invasion  
We're gonna rock the world

(Are you ready to rock)

The time has come for everyone to take a stand  
If you believe in love then let me see you wave ya hand  
Let the music take control with your body grab a hold and get on boar  
d (everybody come on everybody)  
Cause Midnight Star is rising to rock forevermore

Planetary invasion  
We're gonna rock the world (gon' rock it baby)  
Planetary invasion  
We're gonna rock the world (gonna rock the world)  
Planetary invasion  
We're gonna rock the world (gon' rock it baby)  
Planetary invasion  
We're gonna rock the world (are you ready to rock)

Is this a planetary invasion?  
We're here to rock the world
