

Red Roses

Midnight Star

You were standing there, you were lovely
You know I can't believe what you mean to me now
I can't help but stare cause you're an angel
I think the stars above were sending me a love and I
I'm not to blind to see
That you've got the love I need
Girl, you are the one for me
And I care

And I'll send you
Red roses
Cause you're a dream come true
You
Red roses
Cause you're a dream come true

I knew from the start, you were for me
There was no doubt in my mind that love was for me this time an
d I
I can't let you go, you're my heartbeat
I'll do my best to please you cause you know I want you
And I'll give my all to you
It's all I wanna prove
And I got good love for you
And I care

And I'll send you
Red roses
Cause you're a dream come true
You
Red roses
Cause you're a dream come true

I wanna touch you
I wanna feel you
I wanna wrap my arms around and round and round you
Squeeze you all night
