Request Line

Midnight Star

Hello...
(Request line)
(Request request)
(Request request)
(Request line)
(Request line)

Wait a minute baby before you go
I've got something to tell you that I really think you should know
You 'sed to try to reach the DJ to play your song
But his line is always busy and it's time for you to move on

Baby my line is open every day and night
Girl just call me up cause I can make it right
You'll never have to worry 'bout your favorite song
Whatever your request I will play it all night long

(Request line)
I've got what you need
(Request line)
Satisfaction guaranteed
(Request line)
Baby, just drop the dime
(Request line)
Call me any time

Come on
(This is a request line)
(Make your request)

When you hear the music begin to play
If it's not your favorite song girl just call me right away
Cause you need to feel the rhythm and I've got the groove
That will make your body work girl with me you just can't lose

Baby, I'll be your personal radio (Radio)
Programmed to your needs I'm always ready to go
You'll never have commercials in the middle of a groove
And the line will never be busy cause it only ends up to you

(Request line)
I've got what you need
(Request line)
Satisfaction guaranteed
(Request line)
Baby, just drop the dime

I've got what you need
(Request line)
Satisfaction guaranteed
(Request line)
Baby, just drop the dime
(Request line)
You know you can call me, baby...

Hello, request line
(Request line)
-Yeah, I want you to play that new love song by Midnight Star
It's a duet
And I want you to dedicate it to my man named Bobby and tell him that I love
 him
-Alright
We'll get sure to get it on for you OK
Wait a minute what's your name?

-I almost forgot [?]
-Oh, that will make everything nice right?
-You know it
-Word bye bye

Hello, request line
-Yeah, what's up yeah this is Bobby
Want you to put up a love song by Midnight Star
Duet
Otherwise [?] know what I'm saying?

Baby, I'll be your personal radio (Radio)
Programmed to your needs I'm always ready to go
You'll never have commercials in the middle of a groove
And the line will never be busy cause it only ends up to you
