

Snake in the Grass

Midnight Star

Watch out! Watch out!

What kind of fool do you think I am
I thought you were my best friend
I gave you love and you broke my heart
You'll never get a chance again

You're a snake in the grass
Just a snake in the grass
You're low, down, dirty
You're a snake in the grass
Just a snake in the grass
But you ain't gonna worry me
You better (Watch out! Watch out!)
You better believe (Watch out! Watch out!)
You ain't gonna worry me (Watch out! Watch out!)
I won't let you (Watch out! Watch out!)

I'm sick and tired of your silly games
I had enough I'm leaving you yeah (Hear me babe!)
Chances are you'll meet an another fool
I hope it's someone just like you
Yeah you know

You're a snake in the grass
Just a snake in the grass
You're low, down, dirty
You're a snake in the grass (You cheated on me)
Just a snake in the grass
But you ain't gonna worry me
No
You better (Watch out! Watch out!)
You better believe (Watch out! Watch out!)
You ain't gonna worry me (Watch out! Watch out!)
I won't let you (Watch out! Watch out!)

(Watch out! Watch out!)
You better believe
You ain't gonna worry me
Caught you creeping in my room baby
Tryna run a game on me

You're a snake in the grass
Just a snake in the grass
You're low, down, dirty
You're a snake in the grass (You cheated on me)
Just a pain in the... Ay
But you ain't gonna worry me
Say he likes the speed
You ain't gonna worry me (Watch out! Watch out!)
Tryna run a game on me (Watch out! Watch out!)
Low down snake in the grass (Watch out! Watch out!)
Just a big (Watch out! Watch out!)
