

## Endless Slut

Midnight

I've got filthy habits  
I've got to have my lust  
Reach down and grab it  
It's something you can trust  
She's born to please don't care about disease  
She's born to please and brings me to my knees  
Endless slut she's got what I want  
Endless slut she knows how to use it  
Time's getting nearer  
Devil's daughter takes control  
There's nothing to fear  
As she sucks my soul  
The deed is done  
And she's had her way  
I'm Satan's son  
And she's one hell of a lay
