

Final Solution

Midnight

Girls won't touch me 'cause I got a misdirection
And living at night isn't helping my complexion
The signs all say I'm a social infection
A little bit of fun's never been an insurrection

My mom threw me out 'til I get some pants that fit
She just don't approve of my strange kind of wit
I get so excited, always gotta lose it
Ask me any time, I tell you I just don't give a shit

Don't need a cure
Don't need a cure
Don't need a cure, I need a final solution
Don't need a cure
Don't need a cure
Don't need a cure, I need a final solution

Oh yeah

Gonna buy me a ticket to the sonic reduction
Guitars gonna sound like a nuclear destruction
Seems I'm a victim of natural selection
Meet me on the other side, another direction

I don't need a cure
Don't need a cure
Don't need a cure, I need a final solution
Don't need a cure
Don't need a cure
Don't need a cure, I need a final solution

And I don't need a cure
Don't need a cure
Don't need a cure, I need a final solution
Don't need a cure
Don't need a cure
Don't need a cure, I need a final solution
Don't need a cure
Don't need a cure
Don't need a cure, I need a final solution
Don't need a cure
Don't need a cure
Don't need a cure, I need a final solution
