

Gash Scrape

Midnight

Gash scrape, remain a stain
Gash scrape, shot from your vein
Gash scrape, blast on the ground
Gash scrape, subhumans not found

Scrape out the dead
Scrape out the dead

Gash scrape, dripping rot
Gash scrape, dropping clot
Gash scrape, nails on slate
Gash scrape, crust evacuate

Scrape out the dead
Scrape out the dead

Scrape out the dead
Scrape out the dead

Gash scrape, puncture the sore
Gash scrape, blood flow galore
Gash scrape, spoon out the larva
Gash scrape, kill and destroy

Scrape out the dead
Scrape out the dead
