

# Mercyless Slaughter

Midnight

White and ready to spill blood upon the shores  
Smell, wet leather repel the costly whores

Commandor v axe prepare for  
Mercyless, mercyless, mercyless slaughter  
Mercyless, mercyless, mercyless slaughter

Smash with scorn juggernaut won't be denied  
Quest for fire, the torch is lit and burning high

Commandor v axe prepare for  
Mercyless, mercyless, mercyless slaughter  
Mercyless, mercyless, mercyless slaughter

Slaughter!

Commandor v axe prepare for  
Mercyless, mercyless, mercyless slaughter  
Mercyless, mercyless, mercyless slaughter

Slaughter!
