Midnight

Infernal noise pure hell falls from the sky  
White cross will be denied

Necromania

Call of storms the wind and rage  
Rite of dark possessed by chains

Necromania

Mystify cursed Christ delloration  
Retriburion of suffocation

Necromania

Barriers of sound and stone vengeance is mine  
Armageddon wars force the sign

Necromania

Call of storms wind and rage  
Black death possessed in chains

Necromania
