

Poison Trash

Midnight

Donations of damnation spinning the wheel of fate
Wicked is this creation slide it in regurgitate

Feeding off of your greed suck you off 'til you bleed
I'm in hell I'm in hell from this poison poison trash

Tangled up in temptation reeling in easy prey
Strangled by the sensation save it up then throw away

Feeding off of your greed suck you off 'til you bleed
I'm in hell I'm in hell from this poison poison trash

I'm in hell so in hell from this poison
Sinking fast you won't last from this poison poison trash
