```
Like if spice up your life now with drama
Is the natural of the living where they on yah...
Them need steady stability structure for a while
For anything they establish now not to poil (spoil)...
For anything they establish not to poil (spoil) and docile..
EnVision well incline of some kind to provide!!!
The weaker unity a go lose more time...
All for the bigger picture can go take off them eye
All for the Holy GanJah them ah fight I n I!!!
Well how much time have texting psycho ticking on line
Seekers, the mass know bad soft same kind
Grouped altogether and easy to find...
Virtual on the screen now unreal in the mind
That's how... look how some thoughts are synchronized...
Feel as to seek out their sentiment in kind
Multiplicity mission and objective take shape and rise
The traffic was too far and too wide to subside
True they want fih know what ah come in and out go
Epidemic quarantine yah in ah virus and sow
Want fih know how the deadly state of thing get so
Want fih out the healthy state of thing get know
Them will steal way knowledge even that them afi do...
Smuggling technology fih stay connected to the iv
Everything now ah deny, but them need the media man to get it
First they were ignorant but now them advancing upon it
Some nations advancing the national respect for knowledge
Some falling off of shaping of comparative ranking
Just turn on the talking and hear the Pundit and them ah panic
In the direction of hope and the fear of implementing knowledge
How the rule and ravage now want drink of astonish!
Some kind of moral structure arch chaos have a rule upon it
Them things say they love it until the deficit catch up on it
Ah heap of cryptic, Cynic, Editorial them Logic
EnVision well incline of some kind to provide!!!
The weaker unity a go lose more time...
All for the bigger picture can go take off them eye
All for the Holy GanJah them ah fight I n I!!!
Imanity is all of sharing and loving and longing and belonging ...
Analyzing obstacles and intelligently overcoming... them
Fraudulently mistaken ideologies not becoming
Must be refuted for the common good to flourish
When interrelated needs of an integral knowledge
Of what is needed for the flow and for the flourish
That's how resources become re source re need it...
Must bring it again ya how the manners complete it
In ah the Ebb and the Flow..
The Come and the Go...
What the wombman them ah know, what the things calling for...
People take it serious what come in and out go...
Ah Vision well incline of some time to provide
The weaker unity a go lose more time...
All for the bigger picture can go take off them eye
All for the Holy GanJah them ah fight I n I
All for the Holy GanJah them ah fight I n I...
All for the Holy GanJah them ah fight I n I!!!
