

Is His

Midnite

This one is for it
Good feeling if you have it...
And how freely Jah give it
Music to sustain and warm your spirit blanket hair of it
Physics and Civics
Bring forward to thoughts and habit makes things clear up of it
Take a minute for something simple even if it's just to heal
Someone in a spliff yah from a days work just to get relief
If your status it build it the law...bigger and chief
Hold a vibes, settle down 'pon a groove just because it's ease
Good nostalgia, organize your medi into symphonies
Done them away distortion and dissonance with a heart insists
Who Love Jah is his...
Who Love Jah Is His
Who Love Jah Isis
Who Love Jah Is His
And it will matter in ah the end how did it all begin
Intelligent demeanor of high skim belated still
For we have done know Qadamawaii Haile Selassie I is the King of Kings
And we done feel floodgates of currents of running rivers of joy within

If you askin' ...
Who Love Jah is His
Is His
Is His...
Is His
Who Love Jah is His
Who Love Jah Isis
Who Love Jah Ises
Who Love Jah Is His
A couple of remembrances ago
When there was not much to know
Knowledge was hidden away and so
And astray we ah go
Man and Man still they ah so
And ah grow...
Sometimes not have much to show
Steady grateful though
The Book of Life is unabridged
Who Love Jah is His
Who Love Jah is His
Who Love Jah Isis
Who Love Jah Ises
Who Love Jah is His
This one is for it
Good feeling if you have it...
Pon how freely Jah give it
Music to sustain and warm your spirit blanket tear of it
Physics and Civics
Bring forward to thoughts and habit makes things clear up a bit
Who Love Jah Is His
Who Love Jah Isis
Who Love Jah is His
Who Love Jah Ises
Who Love Jah Is His!!!
