Jubilees Of Zion
After I heart bleed for Zion

Nothing dey but Jah
Nothing dey but Jah
It's chu I want all

Automatic come forward
Respect for the elder
I see plain work ethic
It pleases Jah

Humble youth without softness
Carry all the ways of the crown
Please stop ye shooting
One another down
Stop ye shooting ye
One another down yeah

Jubilees Of Zion
After I heart bleed for Zion

Them Iva chi elevate
To cut off I from I people
Without whom I am nothing
Truly still ina the ghetto
Shoulder to shoulder
Amongst the rank and file
Man still dey mongst
The rank and file
Man still dey mongst
The rank and file

Liberation of a people
Itinual life
Liberation of a people

What if all the crab them
Juk and climb out
Of the barrel same time
Juk and climb out
Of the barrel same time
