

# God Is Dead

Midtown

Just because we're abandoned  
Doesn't mean we're alone  
Falling down when were empty  
Because I know, yes I know  
Nothing here really matters  
Nothing helps when you're lost  
Break me down to an atom  
Because I know, yes I know  
It's a whole new different world  
What you've got to say  
Save yourself  
There's no salvation  
Home is found where the heart is  
Space is found in our homes  
Shots ring out across the city  
Because I know, yes I know  
So what you've got to say  
It's a whole new different world  
What you've got
