

(NOVAGANG)

Fall asleep, I don't wanna wake up from my dream  
Please talk to me, show me what you don't want me to see  
I know you want what we had, but that's history  
Just please listen to what I say, yeah, you're gonna see

You're not alone in your head, not alone in your mind  
You just gotta move forward, yeah, I know it takes time  
And I know we all mourn and I know we all cry  
But we gotta enjoy what we got in this life  
Gotta keep moving forward, yeah, you gotta move on  
You cannot get stuck, yeah, you gotta keep going  
Sometimes life sucks, yeah, it might be boring  
But I'm never giving up 'til I'm on stage touring

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah

Fall asleep, I don't wanna wake up from my dream  
Please talk to me, show me what you don't want me to see  
I know you want what we had, but that's history  
Just please listen to what I say, yeah, you're gonna see  
Fall asleep, I don't wanna wake up from my dream  
Please talk to me, show me what you don't want me to see  
I know you want what we had, but that's history  
Just please listen to what I say, yeah, you're gonna see
