

Crew, ho

Only seventeen, but baby, I've been making moves  
And I know niggas mad because they can't do what I do  
So I keep my circle small, because I only trust a few  
And you was hating on me, why the fuck you think we cool?

I've been looking 'round because I gotta look out for the fades  
I ain't in no minor leagues, no baby, I'ma raise the stakes  
I told Zee to send the pack and he sent that shit right away  
I'ma look out for all of my niggas, make sure we get paid, yeah

Brodie think we cool, nah  
We pull up with tools, uh  
My bro just might shoot, oh  
I can never lose, nah  
Writing songs in school, woah  
King shit like cum laude, oh  
Know they love my style  
And I'm going up now

Niggas say they showing off a Glock, but they will not shoot shit  
Why you acting like you hard when we both know that you's a bitch?  
I could made the same that you make in one week and flip that shit  
How you gonna say you hard but you ain't ever make no hit?  
Got me fucking pressed, these niggas really got me fit  
I ain't gonna let your bullshit get into my fucking head  
You can't beat me, no you can't, because I'm always one step ahead  
I wake up and make a song, and after that I go to bed (Bitch)

[?] text, know that she gon' call me on my phone  
I been making all these songs because I'm always stressed at home  
I remember niggas hating on this shit, I was on my own  
Never thought that I would go up in this shit, I didn't know  
I just called the homie up, I called the plug (Plugg)  
And you be acting hella tough until we send them slugs  
And I know niggas always scheming, why you acting sus?  
I don't wan' have to come pull up on you and come pull your plug

Baby, I've been getting bands, but I ain't talking [?]  
Put the laser on the M4, we gon' give his ass a ten, yeah  
And he said he want a feature, so he hit up my DM  
I make all my moves in silence, I guess that's just how I am
