Woah

Woah

Nikes on my feet, you can come and see the chain  
And I'm making money moves, niggas comin' for my name  
And you always talkin' down, treatin' me with disrespect  
And you know I'm goin' up, I don't wanna see your text

Why been tryna hit my phone like we friends when you know that we not?  
Had a lot in my head, had a lot in my thoughts  
And I'm never backin' down, to me my niggas is on top  
Put my foot up on the gas pedal, I'm not gonna stop  
Fake friends all around  
People actin' like some clowns  
317, that's my town  
Goin' up, not goin' down  
Lost myself and now I'm found  
Put my soul into these sounds  
Finna stunt, I'm gonna [?]  
I'm going up, gon' be renound  
You don't know me, stop puttin' my name in your mouth  
I don't know why you wan' talk, things gonna go south  
I move in silence when I walk, movin' like I'm a mouse  
I don't even know who to trust, yeah, I got my doubts

Oh

Oh

Oh

Oh

Nikes on my feet, you can come and see the chain  
And I'm making money moves, niggas comin' for my name  
And you always talkin' down, treatin' me with disrespect  
And you know I'm goin' up, I don't wanna see your text  
Nikes on my feet, you can come and see the chain  
And I'm making money moves, niggas comin' for my name  
And you always talkin' down, treatin' me with disrespect  
And you know I'm goin' up, I don't wanna see your text

I'm puttin' my soul into this and I hope you all know  
I don't do it for money, do it for my own  
And all of these songs makes me feel not alone  
Just wait 'till I blow, yeah I'm gonna get known  
Going up to the top, not leavin' nobody in the dust  
I'm not in a hurry, I'm not in a rush  
You wanna talk down, my nigga, just hush  
You never had my back, I don't really give a fuck

Yeah

Woah

Woah

Nikes on my feet, you can come and see the chain  
And I'm making money moves, niggas comin' for my name

And you always talkin' down, treatin' me with disrespect  
And you know I'm goin' up, I don't wanna see your text  
Nikes on my feet, you can come and see the chain  
And I'm making money moves, niggas comin' for my name  
And you always talkin' down, treatin' me with disrespect  
And you know I'm goin' up, I don't wanna see your text  
Nikes on my feet, you can come and see the chain
