

FIRE

midwxst

(Zetra)

You know what they say, "Play with fire, you get burnt"
Come away with nothin' from the lessons that I learned
I been runnin' 'round in circles, I been stuck at every turn
If you don't wan' tell the truth, then you can happily be adjourned
Ruin everything I touch, sometimes, I feel like I'm a germ
I'm not good at listenin', no, I don't like to come to terms
I've had problems since I was a youngin
Need to cut out the lies and the frontin'

Lead me to the fire
I'm a lover, not a fighter (Ooh)
I don't know how you're not tired
But everything I do
All the time I spent with you
No, you cannot say, "Adieu" (Ooh)
So we gotta see this through, through

'Cause I (I)
I'm tired of wastin' all of my damn time (Time)
The way that things are goin', it's not right (Right)
Wish my feelings could subside
Can't even do anything right, right, yeah

'Cause I (I)
I'm tired of wastin' all of my damn time (Woo, time)
The way that things are goin', it's not right (Right)
Wish my feelings could subside (Side)
Can't even do anything right (Right), right (Right), yeah

'Cause I
I never thought you would change for the wrong reasons (Wrong reasons)
Post and tell our stories while the phone beepin' (Beepin')
You know it's me on the other end tryna get even
'Cause even though I'm blocked, you know damn well that I peeped it (Woo)
That's our business, why you tellin' all my secrets? (Woo)
Paint me as the bad guy, so I should be it for now (Yeah)
I don't wanna break your heart, so you should leave for now (Leave for now)
Like, do you miss when I'm back on the west side? (Side)
I'm in the Midwest tryna duck the streetlights, uh
Girl, even if you change, just watch out how you be blamin' niggas
My ex-bitch just wanna be famous
'Cause she a crash-out, hit ninety while she lane switch (Woo)
Afraid to die, but she don't wanna die nameless (Let's go)

Lead me to the fire
I'm a lover, not a fighter (Woo)
(Where you at? Where you at? Where you at? Where you at?)
And girl, I'm so addicted, only you can get me higher (Woo)
(Where you at? W-Y-A?)
You like it how that wipe the smile off my face (Woo)
So I'm dubbin' you, I smash the pedal when I'm on the way (Woo)
Fuck it, I'm just drivin' to you either way because— (Woo)

I
I'm tired of wastin' all of my damn time (Woo)
The way that things are goin', it's not right (Woo)

Wish my feelings could subside (Woo)
Can't even do anything right, right, yeah
'Cause I
I'm tired of wastin' all of my damn time (Time)
The way that things are goin', it's not right
Wish my feelings could subside
Can't even do anything right, right, yeah (Right, yeah)
