

OVER THERE

midwxst

I know who real or not, I can tell that shit by the way that you talk, yeah
And you better know that you got motion when niggas start makin' shit up, yo
You can keep that shit over there, then you can keep all that stuff, yeah
Bitch, I've been good, know I've been great, so you don't gotta worry 'bout
us, woah

Hm, ha, ha, ha, 'cause hella niggas already pissed off
It's not hard to spot a white lie
But if niggas really wanna run up, do that shit, you won't get a retry
And if niggas wanna talk about some shit, DM me, you won't get a reply, hell
nah
'Cause I been off of the grid, 'cause there's so many things to worry about,
but none of them is a bitch, nah
I don't want no interest, dawg, I don't wanna talk at all, yeah
Turn off my phone, put it in my pocket, I am not answerin' calls, nah, so pl
ease don't get involved
Shit been goin' off the walls like Vans, but that shit come with territory
And how niggas swear they know me, but they ain't even hear the story from m
y eyes? Yeah
What's been on my mind? Yeah
'Cause I ain't provin' shit to no one, 'cause I know myself and I'm fine, ye
ah, uh
Still puttin' that shit on, still the best out the city, yeah, you niggas al
ready know I'm the one
Yeah, the future lookin' brighter by the day, yeah, like the sun, yo
Flowin' right on any beat, bitch, like a damn triathlon, yeah

I know who real or not, I can tell that shit by the way that you talk, yeah
And you better know that you got motion when niggas start makin' shit up, yo
You can keep that shit over there, then you can keep all that stuff, yeah
Bitch, I've been good, know I've been great, so you don't gotta worry 'bout
us, woah

I know who real or not, I can tell that shit by the way that you talk, yeah
And you better know that you got motion when niggas start makin' shit up, yo
You can keep that shit over there, then you can keep all that stuff, yeah
Bitch, I've been good, know I've been great, so you don't gotta worry 'bout
us, woah

Turn my phone off, bitch, then I went to the stu', oh, yeah, uh
If they never see you down, then that means you can't lose, on God, huh
And every fight I win, because I pick and choose, on God, huh
And I know I made mistakes, but I'm not that type of dude, hell nah, yeah
Man, there's smoke and mirrors to this bullshit
Might fuck around cop a new outfit if I wanted to, yeah, in full Rick
So, my shoes, they can say, "Cunt," huh, you niggas can get off my dick, yea
h
Can't draw me into no B.S., you can keep that bullshit, yo, yo
I'm standin' tall, head above the water
Niggas may be talkin', but I'm movin' smarter
Niggas wanna hate, so I'm movin' harder
I'm rockin' Gucci, bitch, COMME on the collar
You just want this shit to stop me, but I'm one of one, you can't copy
Yeah, me or the talent I possess, but I'm not bein' cocky, it's just true

I know who real or not, I can tell that shit by the way that you talk, yeah
And you better know that you got motion when niggas start makin' shit up, yo
You can keep that shit over there, then you can keep all that stuff, yeah

Bitch, I've been good, know I've been great, so you don't gotta worry 'bout us, woah

I know who real or not, I can tell that shit by the way that you talk, yeah
And you better know that you got motion when niggas start makin' shit up, yo
You can keep that shit over there, then you can keep all that stuff, yeah
Bitch, I've been good, know I've been great, so you don't gotta worry 'bout us, woah
