

(Yeah)  
(Yeah-yeah)  
(Yeah, yeah)

I ain't doin' shit, yeah, just been off my phone, huh  
Niggas lookin' for reactions, you not gettin none, huh  
Really blind to that shit, you niggas must be dumb, uh  
Passin' time by blowin' blunts, that shit look like my thumb, huh  
I ain't talkin' to no one, 'cause you niggas be dunces  
Put that grabba in my blunt 'cause I need that bitch punchin'  
Fuck a writer, bitch, I get in that stu' and punch in  
Know he not on shit, already know that boy was frontin'

Yeah, knew that from the start, ha  
Keep my head up on a swivel at all times, I'm alert, yeah  
Protectin' my peace, mind of honor, feel like Kurt, oh, yeah  
I don't even know, but know I just skip to the verse, on God  
Yeah, now you all gon' see  
Through that cap, and when you do, don't come right back to me  
'Cause you not my friend, and that's all that I need to see  
I could give a fuck if we even got history  
Yeah, don't try to take no plea  
'Cause when you picked your side, you knew that you was guilty  
It got to a point, don't know what you even want from me  
Niggas swear they know me, I know that shit unlikely  
But that's okay, 'cause I got me, myself, and I  
And I know this storm'll pass, I just got' give this time  
Not a thing that you could do or say to make this right  
Now whenever I seen your messages, I don't reply  
Right now there's niggas who wan' see me fall  
Yeah, and everything you see, take it with a grain of salt  
'Cause you niggas assume that you know me  
You ain't ever been my friend, no doubt my homie, bitch

I ain't doin' shit, yeah, just been off my phone  
Niggas lookin' for reactions, you not gettin none  
Really blind to that shit, you niggas must be dumb, uh  
Passin' time by blowin' blunts, that shit look like my thumb, huh  
I ain't talkin' to no one, 'cause you niggas be dunces  
Put that grabba in my blunt 'cause I need that bitch punchin'  
Fuck a writer, bitch, I get in that stu' and punch in
