

Fall asleep and wake up, it's a cycle, repeat  
Got a frown on my face but a smile when I need  
Wish I could bring my mind back to SUMMER03  
Right before everyone that I loved hurt me

And there's some people that wan' front, though  
I understand, yeah, what you're onto  
Can't stand your face, you know I hate when I'm around you  
You never change if you never change the things around you

She want special treatment  
Oh, I think she into me, she liked my recent  
You're fine, but all of your friends are just decent  
Put your ears up on my chest, 'cause my heart's beatin'  
She want special treatment  
Oh, I think she into me, she liked my recent  
You're fine, but all of your friends are just decent  
Put your ears up on my chest, 'cause my heart's beatin'

I ain't felt like this before, and it's too strange  
I got used those encores numbin' my pain  
But I guess that's how it goes, bro  
You pulled my heart out of my chest and out my torso  
Rather show it than not say it, I can't keep it in  
How I'm feelin', but I been hesitant to let you in  
'Cause if I do, then I just know that I'll get hurt again  
I feel the paranoia creepin' through my fuckin' skin

She want special treatment  
Oh, I think she into me, she liked my recent  
You're fine, but all of your friends are just decent  
Put your ears up on my chest, 'cause my heart's beatin'

Feel like I'm so fuckin' useless  
Crackin' under scrutiny, seas on me, a mutiny  
Leavin' text on seen, messages go green  
Directin' a movie, want you in the only scene  
Took too long to understand that I'm too kind, bro  
In a different city every day, yeah, in them time zones  
Friends, they tryna cut me off, but I been on my grind, though  
I think it's the time, yeah, to talk my shit, huh

She want special treatment  
Oh, I think she into me, she liked my recent  
You're fine, but all of your friends are just decent  
Put your ears up on my chest, 'cause my heart's beatin'

(Beatin')  
(Heart's beatin', heart's beatin')  
(It's beatin', beatin', it's beatin')  
(Oh-oh-oh)
