

## waste time

midwxst

Just another little touch, just another little hug  
Just another little thing, and I know that we'll be alright  
Yeah, do you wanna spend a day out together?  
Run away from the things that we're afraid of that keep us up on late nights

What's your ETA? Baby, are you on the way?  
'Cause I'm tired of the calls, and I'm tired of the FaceTime  
I know that you're mine, but I wonder if I'm yours  
I don't wanna sit and lie, I don't wanna sit and waste time

Waste time, waste time, yeah, waste time, sit and waste time

'Cause you're hurtin', and I'm hurt too  
Know you're healin', but I want you  
Ain't expect what I stumbled onto  
We don't know what's next, but I'll run to you

'Cause you're hurtin', and I'm hurt too  
Know you're healin', but I want you  
Ain't expect what I stumbled onto  
We don't know what's next, but I'll run to you

(Just another little touch, just another little-)  
(Just another little touch, just another little-)  
(Just another little touch, just another little hug)  
(Just another little touch)

Just another little touch, just another little hug  
Just another little thing, and I know that we'll be alright  
Yeah, do you wanna spend a day out together?  
Run away from the things that we're afraid of that keep us up on late nights

What's your ETA? Baby, are you on the way?  
'Cause I'm tired of the calls, and I'm tired of the FaceTime  
I know that you're mine, but I wonder if I'm yours  
I don't wanna sit and lie, I don't wanna sit and waste time

Waste time, waste time, yeah, waste time, sit and waste time
