

## By Your Side

**Mighty Oaks**

We don't gotta fight no more  
We don't have to make this war  
You know that a new day is coming soon  
All the hate that you carry around  
Doesn't it drag you down?  
Is it real or what they're feeding you?

You know that I'll be right by your side  
If you need me day or night  
And I'll be right there for you  
You  
Sha la la la la la

And out in the dark of night  
What really gives you fright  
You know that your mind can play tricks on you  
You cried of hard truths  
It was 1999 too  
Calling for a new age to push on through

You know that I'll be right by your side  
If you need me day or night  
And I'll be right there for you  
You

Down on my knees  
I'm begging you  
To change up your ways  
All that you've done  
And all the bad things  
That you have said  
They don't sit right with me

Sha la la la la la

You know that I'll be right by your side  
If you need me day or night  
And I'll be right there for you  
You  
Sha la la la la la  
Sha la la la la la  
Sha la la la la la
