

Dead End Nights

Mighty Oaks

Sometimes I feel, like I'm just spinning my wheels
Good Lord I've tried, to get away from here
And heavy is my soul, for I've been killing my time
Just waiting for, this life of mine

You and I, we have
Come so far, if we
Wait any longer it'll all, fall apart so let's
Go get lost, and stop
Waiting on life, we could
Just forget all these dead end nights, yeah let's
Go forget all these dead end nights

Ta da da da da da da
Ta da da da, ta da da da

And now I know, I gotta make this life my own
'Cause what I need, is far away from home
But darling, well I can't go it alone
So take my hand, and get lost with me

And
You and I, we have
Come so far, if we
Wait any longer it'll all, fall apart so let's
Go get lost, and stop
Waiting on life, we could
Just forget all these dead end nights, and

You and I, we have
Come so far, if we
Wait any longer it'll all, fall apart so let's
Go get lost and stop
Waiting on life, we could
Just forget, all these dead end nights, yeah let's
Go forget all these dead end nights, yeah let's
Go forget all these dead end nights

Ta da da da da da da
Ta da da da, ta da da da
