

# Forever

Mighty Oaks

Sometimes in life you go a long way alone  
And the people you find, they tend to come and go  
And I made my share of mistakes and I still find a way to go on  
But I done a few things right, at least this much I know

The day that I met you, it was forever  
The day that I met you, it was forever

I feel I was chasing, chasing a dream that I'd never know  
And most of my life, I was looking for trouble  
Baby, I was broken down, I was shipwrecked, I was low  
And you came into my life when I had nowhere to go

The day that I met you, it was forever  
The day that I met you, it was forever

They say that you know it when it comes your way  
And you won't let it, you won't let it get away

The day that I met you, it was forever  
The day that I met you, it was forever

The day that I met you, it was forever  
The day that I met you, it was forever

The day that I met you  
It was forever  
The day that I met you  
It was forever
