

# Ghost

Mighty Oaks

Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost

Oh, you got a hold on me  
With beauty like a tightened bow  
And it don't leave air to breathe  
I got nowhere to go, oh no, no

True love is hard  
But it don't let you go  
Until you're a ghost, you see  
Two broken hearts  
But I won't let you go  
Until you're a ghost to me

And it can bring you to your knees  
And knock you to your core  
And it don't come easily  
But it's worth more, more than gold

True love is hard  
But it don't let you go  
Until you're a ghost, you see  
Two broken hearts  
But I won't let you go  
Until you're a ghost to me

Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me

Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me

Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me  
Until you are a ghost to me
