

## Go To Hell

Mighty Oaks

I used to be at war with my life  
I couldn't make it feel quite right  
I used to lie awake at night  
I used to lie awake at night

I was scared to open my eyes  
For fear of the world outside  
I used to lie awake at night  
I used to lie awake at night

But now that I'm older  
I'm done looking over my shoulder  
It took me a minute to find myself  
And if you don't like it then go to hell

Cause now I'm a little bit older  
I'm done looking over my shoulder  
It took me a minute to find myself  
And if you don't like it then go to hell  
Yeah go to hell

I used to worry if I was cool  
Smoking cigarettes behind the school  
Looking back I used to try so hard  
Looking back I used to try so hard

I used to care what everyone thought  
Whether I liked it or not  
Before I knew it I was lost  
Before I knew it I was lost

But now that I'm older  
I'm done looking over my shoulder  
It took me a minute to find myself  
And if you don't like it then go to hell

Cause now I'm a little bit older  
I'm done looking over my shoulder  
It took me a minute to find myself  
And if you don't like it then go to hell  
Yeah go to hell
