

High Times

Mighty Oaks

All this time we never really meant the things we'd say
I'm tired of all the lies I only wish that you would give it to
me straight
And we both changed but everything between us stayed the same
We tear the old walls down just to put up new ones in their place
We tear the old walls down just to put up new ones in their place

I-I, don't know, if we'll get back to the middle
I try, and you don't, each time it kills me a little
I-I, don't know if we'll get back to the middle
Ooooh, can we even make it right?
Ooooh, it's getting to be high times

The borderlines are there to show what's mine and what is yours
But after all this time I can't remember how it even was before
You know that I'm tired of all these games
'Cause time is running down for us, to figure out how to make a
change
Yeah time is running down, for us to make a change

I-I, don't know if we'll get back to the middle
I try, and you don't, each time it kills me a little
I-I, don't know if we'll get back to the middle
Ooooh, can we even make it right?
I-I, don't know, if we'll get back to the middle
I try, and you don't, each time it kills me a little
I-I, don't know if we'll get back to the middle
Ooooh, can we even make it right?
Ooooh, it's getting to be high times
