

These Days

Mighty Oaks

Used to know
Wrong from right
But I feel like
It's just a fading line now
And you can call
Me a liar but
It won't
Hang me higher and

These days
Both my eyes are blurry
These days
It's been hard to get out of bed
These days
Life's been kicking my ass
These days

Oh they got to pass

Keep on
Keep it on they say
And I keep on
Until I find a better way
And you can call
Me a liar but
It won't
Hang me higher and

These days
Both my eyes are blurry
These days
It's been hard to get out of bed
These days
Life's been kicking my ass
These days

Oh they got to pass

Uuh uuh
Uuh uuh
Uuh uuh
Uuh uuh

These days
Both my eyes are blurry
These days
It's been hard to get out of bed
These days
Life's been kicking my ass
These days
Oh they got to pass
