

# Asking For Money

Migos

I started kicking in doors, just for money  
Trap out the bando, just for money (trap out the bando)  
Stick em up, stick em up, just for money (stick em up)  
Young nigga didn't understand nothing but money (Give em hell)

When I woke up this morning  
I told myself I had to get some money  
(aye man I had this crazy ass dream last night)  
I can not hang with you jabronis  
Cause you know that is not making me no money  
I had to cut that bitch off, god damn, all she wanted was some money  
(you know I hate that gold digging ass bitch)  
I can't hang with all my homies cause they handouts
