

Huh?  
Huncho, Gato

Bad bitch know something (know something)  
Give her that money, go blow something (blow it)  
She want a rack til' I pop something (rack)  
She want a trick, I'm not one (not one)  
Pull up and hop on a baddie (skrrrr)  
She wanna text me the addie (text it)  
They know we having it (woo)  
Drums to the face, closed casket  
The pot look greasy  
Suck me up, she please me  
Chanel like CC (CC)  
Upgrade a bitch from bb (bb)  
If she money, she go get it (go get it)  
All of her friends, they go with her (yuh)  
She keep up them bands with no nigga (racks)  
She keep up them bands with no nigga (hey)

She see blue faces, it's no explanation (no no)  
Can you make this paper all across the nation? (whoa yeah)  
Told her just be patient, I'm gon' make you famous  
If yo' nigga want beef, treat it like it's angus (bow)  
Eat it up  
Little bit of dick, get nasty  
I gotta tip her (here)  
I got a pretty girl, low-key classy  
I gotta flip her (flip her)  
I ain't here for no pictures (nah)  
Put Huncho in the middle (Huncho!)  
Young nigga popping them bands (woo)  
Like Marshawn popping them Skittles (hey)  
Young nigga got a big green truck  
Looking like Riddler Riddler  
What bitch name with the mean suck?  
Damn, I can't even remember (damn)  
Money fall, yeah, timber (Timber!)  
Ice on in the winter (ice)  
Put the plug in the blender  
Then, he showed up for dinner (that's cold)

Bad bitch know something (know something)  
Give her that money, go blow something (blow it)  
She want a rack til' I pop something (rack)  
She want a trick, I'm not one (not one)  
Pull up and hop on a baddie (skrrrr)  
She wanna text me the addie (text it)  
They know we having it (woo)  
Drums to the face, closed casket  
The pot look greasy  
Suck me up, she please me  
Chanel like CC (CC)  
Upgrade a bitch from bb (bb)  
If she money, she go get it (go get it)  
All of her friends, they go with her (yuh)  
She keep up them bands with no nigga (racks)

She keep up them bands with no nigga (hey)

I suppose, propose, to show off my rollie in rows  
This goes, them hoes, we OC, outta control  
Fuck the folks and the border patrol, coast guard, free all of the bros  
We the goats, who want some smoke cuz' we set all of the smokes  
We got lows, my 66' spokes, they look like dinner rolls  
I hit my coupe, now it's a centerfold  
Multi-million, but I gigolo  
My portfolio say I sold plenty coke  
Wop!

Bad bitch know something (know something)  
Give her that money, go blow something (blow it)  
She want a rack til' I pop something (rack)  
She want a trick, I'm not one (not one)  
Pull up and hop on a baddie (skrrr)  
She wanna text me the addie (text it)  
They know we having it (woo)  
Drums to the face, closed casket  
The pot look greasy  
Suck me up, she please me  
Chanel like CC (CC)  
Upgrade a bitch from bb (bb)  
If she money, she go get it (go get it)  
All of her friends, they go with her (yuh)  
She keep up them bands with no nigga (racks)  
She keep up them bands with no nigga (hey)

(Offset!)

Applying the pressure for mo' millions  
The bricks come from Japan and Korea  
I done made 2.5 on my Nokia  
He got kidnapped after that shit too real  
Bad bitch, she walking with Chanel on her feet  
Litty got her titties done, now she on fleek  
Plain Jane rolling with the bust AP  
I make the thottie meet me at the grand marquee  
Playing for keeps, gotta move it lowkey  
She trying to fuck, she in heat  
Yeah, she gotta fuck by the three (smashed)  
Tip toeing back door and creep (back-do)  
I don't know no tricks, but I treat (trick)  
I told her to suck with a beat  
Put Emerald sets in my links  
24 karat my sink

175 for the mink  
Turn the housewife to a freak  
And I got the ice on fleek  
Chanel double down, CC  
He'll tell you, it's a price on me (he'll tell you)  
Ran off, made your life on me  
No gun, pull a knife on me  
Back back, get your wife off me  
On sight with me, my diamonds fight with me  
Can't clone, we on  
Fly like drones, they biting me (rrrr)  
A sight to see, this gas tank on E  
North Pole, wrist on freeze  
Wait til' my dawg get free

Bad bitch know something (know something)

Give her that money, go blow something (blow it)  
She want a rack til' I pop something (rack)  
She want a trick, I'm not one (not one)  
Pull up and hop on a baddie (skrrrr)  
She wanna text me the addie (text it)  
They know we having it (woo)  
Drums to the face, closed casket  
The pot look greasy  
Suck me up, she please me  
Chanel like CC (CC)  
Upgrade a bitch from bb (bb)  
If she money, she go get it (go get it)  
All of her friends, they go with her (yuh)  
She keep up them bands with no nigga (racks)  
She keep up them bands with no nigga (hey)
