It's Guwop in this bitch and I got shooters too  
Snatch all the clothes out the mall like the looters do  
And all my bitches got them racks, got a Hooters crew  
My rims are gorgeous, ridin on forgies big as hoola hoops  
Fuck the prosecution, I fund the revolution  
Sell white Rolls Royce with thumbles, inspired it on constitution  
Movin up baby that child abuse  
That down full hard and power too  
And trail wild whilers that I feed gun powder  
They bite, don't bark or growl at ya  
These young niggas are trustin me, cartel will be proud of me  
My top over, my coachers here got federales onto you  
I told my tough man fuck the feds and watch Guwop, they posted me  
You loco rappers dissin me, I'll put you on the local news

The pistol I got from my enemies  
Make em get in there like assimily  
You murder too hard, you offendin me  
I hit em with guns made in Germany  
I run in yo like a burglary  
I hit em with choppas, be needin a surgery  
Crossin my line, I'm dropping that dime right on yo mind  
Hit him in the spine  
I shoot the club up!  
I'm feelin like Shaq, I got out of jail and I don't wanna go back  
I'm knockin my friend, I go out of that country rap  
Quevo the word, the call me Offset bootleg  
These niggas ain't ready  
Spray like confetti  
My niggas is lunatics but we not nearly  
Don't think that I'm scared, don't think I'm not stealin  
Cus yall niggas walk away, multiple felonies  
It won't take long to find out where you lay yo head at  
I'm in yo window, I'm at yo back  
And fuck nigga where is the Benjamins at  
Me and my niggas, we creepin like geepers creeper  
Pull up on yo block here right next to the speaker  
I got the fly cus the signals are eagles  
Prepin soldiers like I'm Beanie Siegel  
You can fuck with that nigga but mine's a beginner  
You can shop with him but my purse is equal  
You don't want me to go get my young niggas  
And pull up and hop out and spray at yo people
