

MAMA Had A Fit

Migos

Seen 100 bands, all in one time (I seen it)
I just blew my mind cuz my mama seen it (fuck!)
And she had a fit, yea she had a fit (mama)
I told my mama we rich, told my mama we rich (rich)
Seen 100 bands, all in one time (I did)
I just blew my mind cuz my mama seen it (fuck!)
And she had a fit, yea she had a fit (mama)
I told my mama we rich, told my mama we rich

Mama had a fit when she seen my money
She say you ain't got no job, you must be up to something
What the hell you doin? Don't get in no trouble
I had to look out for my nephew, he look up to uncle
Mama got a nigga, I ain't like his ass
Tried to make me rake the leaves and cut the grass
Nigga, you got no kids, what make you daddy?
If I wasn't 12- years old I'd bust yo ass!
Mama kicked him out and now I'm 21
Bought her Prada, Gucci, Louis, Christian Louboutins
Mama taught me everything, I'm her day and sun
I had to go get her that Porsche before the summer's gone

Seen 100 bands, all in one time (I seen it)
I just blew my mind cuz my mama seen it (fuck!)
And she had a fit, yea she had a fit (mama)

I was servin junkies out my mama window
I was broke like half a brick, that was '96
Daddy gone so I guess that makes me head honcho
Mama robbed me through my closet, she done found a spliff
She said I raised you better, boy you've got a strong mind
She said I can't believe you serve that to your own kind
I told her mama chill cuz I been broke along time
That's why I'm at the stove, survivin junkies in a long line
I was a runner for my brother, I need my own plug
I feel like 2 Chainz and Lil Wayne, I need my own drugs
First time I set shop on my block I didn't get no luck
200 thousand for a Charger, 6's, no scrub

Seen 100 bands, all in one time (I seen it)
I just blew my mind cuz my mama seen it (fuck!)
And she had a fit, yea she had a fit (mama)

The Audi, the Mazzi, the Jag white
The Bentley, the house by the lake
Gold on my neck, gold on my wrist
Young Takeoff, I sit on 10 K's

I'm posted with Guwop, I'm strapped up with 2 Glock's
Versace in my bag, I'm feelin like 2Pac
These one of the hungry, I gave em re-up
Pull up on yo block, Chevrolet 2 top
Finesse the plug for the bags
My wrist is spinnin like Taz
I know that my mama goin spaz
She find out bout all of this cash
But fuck it, my nigga we rich
Remember them nicer and licks
Duckin police, jumpin the fence
Now we in lounge, perfect the tint
