Big packs over here, nigga no drought
Got a 100 stashed at the traphouse
And a 100 stashed at the bando

Ain't gone lie, lil' mama look good
I'm a take her to the crib, Migo Gang run through here
I ain't gon' front you no weight lil' cuh
If you some money then maybe I'll do it
Counting up checks, I let her thumb through it
Ya'll just watch how Quavo do it
Went to Saks and spent them stacks
Walked out of there with nothing but Louis

Got bands on me, pull a pole out
Ice on my neck so it's cold out

I'm a wild ass nigga like [?]
Light green in my swisher like Kermit
My pockets on fat like Sherman
I'm a preacher nigga, listen to the sermon
Got 50 bricks in the Excursion
In a Maybach, nigga see the curtains
They say my pack Arabian, cocaine wrapped up like a turban

Young nigga man I see your chain, take it off... pull off
Hollows went to deep in your body, now they had to pull off
Got tired of pulling in the club, nigga I'm about to pull out
Got tired of fucking with your girl, nigga I'm about to pull out

When we pull them benji's out, bad bitches tend to get pulled out
