Walk up in the club rockin' nothin' but Louis
Y'all niggas flexin' 'bout the shit that you did
My nigga, we been, kickin', pimpin'
Codeine when we sippin'
250 for the lenses

Just went to the doctor yesterday
Told me chill on the lean for my kidneys
Laughed at him, said "You is silly"
Two bitches in the kitchen, water whippin'
But it ain't no forensics
