(And you already know what time it is nigga), I'd like to welcome y'all to 1 region of doom  
He ran off with the pack, I know I'ma see him soon, oh  
There he go, he sprayin' blood wet like typhoon  
Get on the floor, (get on the floor)  
Better come off that dope (better come off that)  
Better not be cut with soap (better not be cut)
